

FRIENDS OF PEACHFIELD

The National Society of The Colonial Dames of America
in The State of New Jersey

The Friends of Peachfield supports the programming, interpretation, and research of the two historic sites under the stewardship of The National Society of The Colonial Dames of America in The State of New Jersey (NSCDA-NJ).

The NSCDA-NJ actively preserves and interprets Peachfield and The Old Schoolhouse, and works to preserve the buildings, lands, and collections to enrich and enlighten a diverse public. These properties tell a story of change in architectural, agricultural, and educational values through time.
